## MARYLAND'S PDMP

- Administered by Maryland Department of Health (MDH), Behavioral Health Administration, Office of Overdose Prevention
- <https://bha.health.maryland.gov/pdmp/Pages/Home.aspx>
- Established by law in 2011
- Law updated in 2016

# PDMP GOALS TO BEND THE OPIOID CURVE

## A. Enhance Clinical Utility of PDMP

- Provide clinicians with expectations around PDMP use under mandates
- Allows providers to make more informed prescribing / dispensing decision
- Synthesizes data to alert providers to risks within the patient's CDS history
- Allows providers to identify and intervene in substance use disorder, overdose risk, inadequately managed pain or other medical care
- Creates vehicle to inform providers about appropriate prescribing / dispensing practices, and provide education on these topics
